What do you like the most about Ebenezer Ridges Child Care?

“The intergenerational interactions our child gets with the seniors is a win-win: We are thankful for the time our child gets to spend with older adults (and the influence that will have over time) and the joy they get in return.”

“I’m very happy with the intergenerational program & am so happy my son is interacting & learning from the older generations. I know it is so beneficial to both the young & old.”

“Overall, we’re very happy with the love & care our son receives at Ebenezer.”

“Positive - It’s small and family oriented. We love the daily notes from the Teachers”

“I appreciate the structured learning opportunities (i.e. music, dance, spanish) and interaction with the adult program. My child is welcomed by everyone every morning and is always excited to go to 'school' which says a lot.”

“The number one reason Ebenezer stands out compared to other daycare facilities is the intergenerational activities! Please keep 'em coming!”

“Really like the intergenerational program and the other programs built into the day like music, chapel, and Spanish. Also nice to have optional activities for the kids to sign up.”

“I like the programs they offer such as Spanish, Chapel, music, intergenerational programs and the overall educational program they provide.”

“We appreciate the intergenerational program, as well as the Kindergarten readiness of the educational curriculum.”

“I have always felt so comfortable with dropping our children off at Ebenezer

and feel that they are safe and loved when we are at work.”

“I LOVE Ebenezer Riges Child Care overall! I recommend them to any co-worker or friend that works in the area. I work across the street and is so convenient. My son started there 10 years ago at age 2 and my daughter 8 years ago at 12 weeks of age. I was able to drop them off and not worry at all. Peace of mind is a great thing, knowing that the kids were always safe and well taken care of while I was at work. Each classroom was great. The fact that they also offer "school agers" in the summer has been a life saver for us. The intergenerational concept and the fact that Ebenezer is faith based is the best. Seeing the kids interact and visit the "grandma and grandpas" is amazing and I am really happy that Ebenzer has applied and received award for this amazing that the whole care center team is part of. I really like the Spanish Program with MS. Connie. It is wonderful that they start it so young. THE Cinco De Mayo Program is not to be missed. Even better than the Christmas P.”

“Ms Katie in Older Pre was AMAZING with our daughter Kaitlyn who started Kindergarten this fall. She is wonderful with the children and very approachable for parents.”

“Rita is 8 and attended School Agers again for summer 2014. She has gone to Ebenezer since she was 12 weeks old. We LOVE Leah in Schol Agers. She is very creative and patient with the kids. This summer they had a little skit they performed. ~Also LOVE LOVE LOVE MS. Connie and how she teaches Spanish! Have loved her since day one as well. ~~JODY Schuman is the best director Ebenezer Child Care has had. Very friendly, easy to talk to and form a relationship with, which is really important when trusting children to the center. I know that everything the center does, Jody is behind and has approved or given appropriate overall direction to. She has become a friend over the past 10 years.”
